## Skin Care Treatments

### Deluxe European Facial

*This facial nourishes the skin and brings forth a healthy, radiant complexion. The treatment includes gentle cleansing and exfoliation followed by a relaxing scalp, shoulder, décolleté, neck and facial massage. You will also enjoy a soothing hand and foot massage with heated mitts, herbal fluids and a custom mask tailored to fit the exact needs of your skin.  
(90 minutes, \$110)*

### Luxurious Head to Toe Herbal Ritual

*An infusion of herbs designed to relax, calm, and regenerate the skin while hydrating and nourishing the complexion. The treatment awakens the senses as it relaxes the mind and body. Skin is thoroughly hydrated, lines and wrinkles vanish. Also facilitates detoxification and soothes rosacea.  
(90 minutes, \$175)*

### Babor European Facial

*Perfect for all skin types. This is a deep pore-cleansing facial with attention given to your skin's specific needs. Dull surface skin cells are gently removed, followed by extractions if necessary. Next, you will enjoy a Babor relaxing facial massage, a nourishing mask and a light moisturizing. Your esthetician will analyze your skin type and choose the appropriate facial for you. This facial includes massages of the shoulders, neck, décolleté, face and hands with heated mitts.  
(75 minutes, \$78)*

### Complexion Lightening Facial

*The White Effect Facial deeply clarifies and refreshes the skin. This treatment has an intensely lightening effect. It also protects against free radicals and pleasantly hydrates the skin. The White Effect Facial is suitable for all skin types.  
(75 minutes, \$85)*

### Express Facial

*Includes consult. Enjoy quick service and feel relaxed and well groomed all day. The Express Facial will soothe, protect, hydrate and still get you back to the office on time.  
(30 minutes, \$42)  
(\$54 with exfoliation)*

### AHA Hydroxy Peels

*This treatment is a blend of different peels according to your skin's needs. It is excellent for reducing fine lines, wrinkles, sun damage and uneven skin texture. It also reduces the signs of aging, helps fight acne breakouts, exfoliates razor bumps, increases cell turnover and brightens skin tone. We recommend a series of peels to achieve the optimal effect.  
**Purchase five alpha hydroxy peel treatments and get the sixth treatment free.**  
(30 minutes, \$70)*

### Gentleman's Relaxation Facial

*This treatment is infused with refreshing, masculine tangy notes. Brown algae, aloe vera and licorice extract work in concert to treat the specific needs of a man's skin, and are suitable for all skin types. These elements combined will help soothe and calm irritated skin while balancing lipid levels and protecting against free radical damage. Circulation is increased and lines and age spots are diminished. This facial is designed for the man who is concerned about both the health and the appearance of his skin.  
(60 minutes, \$70)*
